Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	<p>The main purpose of the ARCs products is to reduce the risk of electrical fires. It combines the following functions:</p> <ul style="list-style-type: none"> Protection against fire hazards by detection of abnormal electric arcs; Protection against load fire hazards due to slow overvoltages; Circuit opening and positive break indication (green strip); Fire hazard tripping indication via the front panel indicator; Device self-diagnostics via the test button.
Product reference	A9FDB616
Additional similar product references	A9FDB616
Total representative product mass	190 g
Representative product dimensions	100mm x 40mm x 85mm
Accessories	No
Date of information release	12/2019

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
In case of special transportation: transportation method	No	
Recyclability potential	44%	Based on "ECO'DEEE recyclability and recoverability calculation method" (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
