Product description

Manufacturer identification	Schneider Electric USA, Inc
Brand name	Square D
Product function	The Wiser Energy™ Homeline™ load center monitors the power consumption of up to 12 circuit breakers, as well as residential solar generation. These capabilities allow instantaneous and historical insight into how the residential electrical energy is performing and how to achieve different types of goals.
Product reference	HOM4080M200PCMR
Total representative product mass	18087 g
Representative product dimensions	42in x 14in x 3.74in
Date of information release	10/2017

Additional information

Legal information	The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
Recyclability potential	94%	Based on "ECO'DEEE recyclability and recoverability calculation method" (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
