

Product End of Life Instructions

UNICA KNX PUSH BUTTON

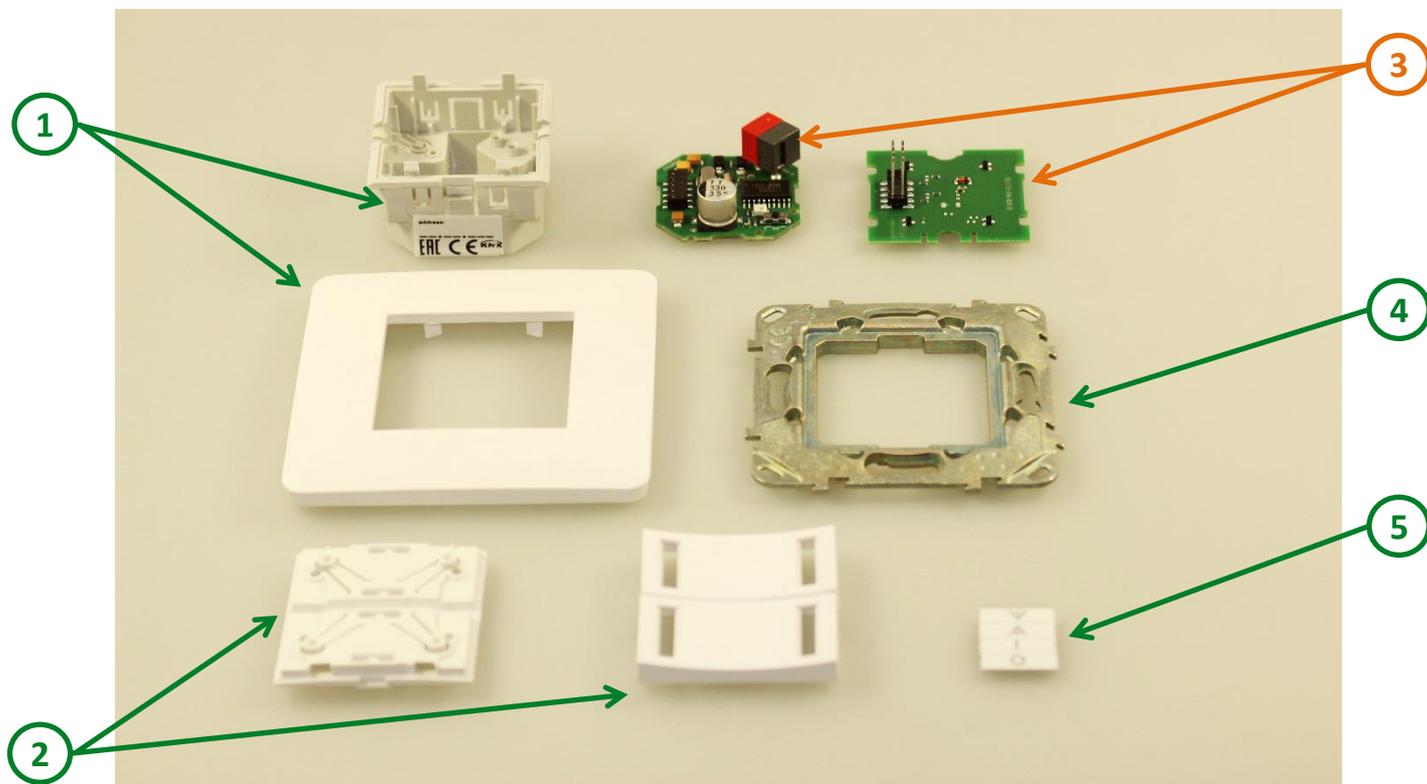

Potential disassembly risks

Risk of electric shock due to electrical components containing energy (capacitors).

End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be dismantled	1, 2	Plastic parts	30	
To be depolluted	3	Electronic Boards	17,8	
Other	4	Metal alloy	31,9	Shredding
Other	5	Plastic parts	3,8	Shredding

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	These products are UNICA KNX push buttons. If customers operate these push buttons and the devices send corresponding telegrams on the KNX bus to other devices (=actuators) to control the programmed function. Typical control commands are switching and dimming of lights, selection of scenes, control of shutters and roller blinds, selection of heating and cooling modes for example. The LEDs can be programmed to indicate typical information like the switch status or the mode of climatization.
Product reference	NU553118
Additional similar product references	NU553118 NU553120 NU553130 NU553154 NU553020 NU553018 NU553030 NU553054

Total representative product mass	80 g
Representative product dimensions	85mm x 85mm x 37mm
Accessories	To be completed with a design frame in corresponding design.
Date of information release	11/2018

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
Recyclability potential	65%	Based on "ECO'DEEE recyclability and recoverability calculation method" (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
