Other		Other parts	19.6	

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Foxboro SCD
Product function	The Optical Dual Communication module provides two optical (glass) communication channels. It is particularly suited to the applications where large input/output counts require frequent scanning back to a central or local Master Station.
Product reference	SY-0399122R
Additional similar product references	SY-0399122R SY-0399127R
Total representative product mass	225 g
Representative product dimensions	187mm(H) x 261.75mm(W) x 35.25mm(D)
Accessories	No accessories needed
Date of information release	08/2019

Additional information

Legal information	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
In case of special transportation: transportation method	No special transportation	
Recyclability potential	16%	Based on "ECO'DEEE recyclability and recoverability calculation method" (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
