

# Product End of Life Instructions

## 4703X IMFF MODULE

## Potential disassembly risks

The Circularity profile provides information about preparation for re-use and treatment. It identifies the relevant EEE components and materials as well as their location. Safety instructions for product dismantling and depollution are provided into the User manual or maintenance guide.

## End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in g)	Comment
To be depolluted	1	Electronic Board (Communication) > 10cm <sup>2</sup>	148	
Other	2	Plastics and Other parts	232	
To be dismantled	3	Metals and semimetals	56	IMFF Shell and other stainless steel parts should be dismantled at end of life.

## Product description

Manufacturer identification	Triconex (Schneider Electric)
Brand name	Triconex
Product function	IMFF Module is part of the Tricon CX safety system which act as an interface to provide communication between the main processor and I/O modules.
Product reference	4703X
Additional similar product references	4701X
Total representative product mass	436 g
Representative product dimensions	202mm x 153.4mm x 19.6mm
Accessories	Yes accessories needed (I/O Chassis Backplane along with the screws are needed)
Date of information release	08/2021

## Additional information

<b>Legal information</b>	This product family is in the scope of European Union directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
<b>In case of special transportation: transportation method</b>	No special transportation	
<b>Recyclability potential</b>	<b>22%</b>	Based on "ECO'DEEE recyclability and recoverability calculation method" (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
