

Product End of Life Instructions

Minera MP Oil immersed Medium Power Transformer

This range consists of mineral oil filled medium power transformers from 5 MVA up to and including 80 MVA power rating and 154 kV maximum operating voltage

Potential disassembly risks

CAUTION

HAZARD OF PARTS WITH SHARP EDGES

Apply appropriate personal protective equipment (PPE) during disassembly.

Failure to follow these instructions can result in injury.

End of Life Instructions

Recommendation	Number on drawing	Component / Material	Weight (in kg)	Comment
Potential hazards	1	Core	9400	Magnetic steel
To be dismantled	2	Steel	10644	
To be depolluted	3	Liquid and pasty substances	6500	Mineral oil
Other	4	Paper and cardboards	45,5	
Other	5	Conductors	2419	Aluminium and copper

Product description

Manufacturer identification	Schneider Electric Industries SAS
Brand name	Schneider Electric
Product function	The main purpose of the Minera MP transformer is to supply reliable and safe voltage amplitude transformation to distribution network from MV to MV or from MV to LV (or vice versa for step up operation)
Product reference	Minera MP
Additional similar product references	Minera MP Minera - MP France Minera - MP India Minera - MP Indonesia Minera-MP Turkey
Total representative product mass	31000000 g
Representative product dimensions	8 m x 6 m x 8 m
Accessories	No accessories needed
Date of information release	09/2020

Additional information

Legal information	The product family must be disposed according to the legislation of the country. This document is intended for use by end of life recyclers or treatment facilities. It provides the basic information to assure an appropriate end of life treatment for the components and materials of the product.	
In case of special transportation: transportation method	No special transportation	
Recyclability potential	72%	Based on "ECO'DEEE recyclability and recoverability calculation method" (version V1, 20 Sep. 2008 presented to the French Agency for Environment and Energy Management: ADEME).
