The Square D™ SurgeArrest™ HEPD80 is a compact and affordable surge suppressor designed for installation in residential electrical panels from any manufacturer.

The SurgeArrest HEPD80 Whole Home Surge Protective Device reduces surges that might otherwise overwhelm plug strips and damage connected household equipment. It also provides surge suppression for important items that are not compatible with plug strips such as washers, dryers, refrigerators, stoves, heating and air conditioning equipment. Homes may experience up to 100 surges per month, and most come from inside the home! With the typical house containing up to $15,000 worth of sensitive equipment vulnerable to surge, provide peace of mind with the HEPD80 Surge Protective Device.

**Home Electronics Protective Devices (HEPDs) Features**

**Superior Performance**
- Square D brand Home Electronics Protective Devices (HEPDs) utilize high-energy suppression circuitry to protect household equipment.
- Each MOV is individually fused with both thermal and overcurrent fusing.
- HEPDs carry a NEMA Type 4X rating suitable for installing indoors or outdoors.
- NEMA 4X rated for use on any brand of indoor/outdoor residential electrical panel.
- Easy to read LED status light. 8x brighter than previous model.

**Warranty**
The HEPD80 has a limited warranty of 5 years with a $75,000 connected equipment warranty for residential applications.

**The HEPD80 Surge Protective Device Advantage**
- Easy to install — Mounts on or next to any residential electrical panel. Nipple mount through knockout, or for enhanced aesthetics flush mount with optional flush mount kit.
- Compact and affordable surge suppressor. Type 1 SPD
- Maximum protection — Long lasting protection against powerful surges, up to 80 kA
- 5 Year Warranty — $75,000 downstream equipment protection
- Application flexibility — Rated for indoor or outdoor use, withstands harsh conditions
HEPD80 Square D Home Electronics Protective Device

Installation:
Installation of the HEPD80 is easy. The HEPD80 attaches to any residential electrical panel on the market. Optional flush mount kit available for a clean drywall installation.

Dimensions:

Optional Universal Flush Mount Kit (HEPD58MKF)

Performance
Surge Current Rating per Phase 80kA
Short Circuit Current Rating 25kA
Modes of Protection 6
Fusing Individually fused MOVs
Thermal Fusing Yes
Overcurrent Fusing Yes
Operating Frequency 50/60 Hz

Mechanical Description
Enclosure Non-Metallic
NEMA Rating Type 4X
Connection Method #14 AWG, Stranded
Weight 1.1 lbs
Mounting Method Close Nippled, Side Mounted
Operating Altitude Sea Level-12,000’ (3,658 m)
Storage Temperature -31˚ F to +149˚ F
(-35˚ C to +65˚ C)
Operating Temperature -31˚ F to +149˚ F
(-35˚ C to +65˚ C)
Operating Humidity 0 to 95% non-condensing

Diagnostics
Green status LEDs
