

# Low Voltage Dispenser Disconnect

Stay code-compliant with a safe,  
reliable solution.

The 2011 NEC states that all power including communication, data, and video circuits leading to or through dispensing equipment must have a remote means to disconnect from the source of supply. With the LVDD you can keep your facility and customers safe with a single, reliable solution. Our LVDD provides a way to disconnect low-voltage electrical circuits connected to dispensing equipment to keep your store NEC compliant.

Make sure your store is compliant with  
2011 NEC Articles 514.11 and 514.13

## Low Voltage Dispenser Disconnect

- **Safe:** Complies with 2011 NEC Articles 514.11 and 514.13
  - UL Listed — UL 1238 control equipment for use with flammable liquid dispensing devices
- **Simple:** Individual disconnects for each dispenser
  - » CRIND data
  - » Dispenser data
  - » Intercom and speaker
  - » Loyalty card systems
  - » Video (serial or CAT5/6)
  - Switches isolate lower voltages for maintenance and servicing purposes and are also wired into the emergency shutdown system
- **Flexible:** Compatible with any fueling control system and all dispenser manufacturers
  - Suitable for new and retrofit construction
- **Compact:** Modular design saves valuable wall space
  - Enclosure design provides locking provisions for lockout/tagout requirements
- **Integrated:** Single point of disconnect capability for power and low-voltage circuits when installed with Square D DM-EX solutions

## Available Models for Dispensers:

### With CAT5/6

Model No.	Configurations
LVDD-V-4	up to 4 dispensers 12" Tall x 16" Wide x 8" Deep
LVDD-V-6	up to 6 dispensers 24" Tall x 16" Wide x 8" Deep
LVDD-V-8	up to 8 dispensers 24" Tall x 16" Wide x 8" Deep
LVDD-V-9	up to 9 dispensers 28" Tall x 20" Wide x 8" Deep
LVDD-V-10	up to 10 dispensers 28" Tall x 20" Wide x 8" Deep
LVDD-V-12	up to 12 dispensers 28" Tall x 20" Wide x 8" Deep

### Serial Video capable Without CAT5/6

Model No.	Configurations
LVDD-N-4	up to 4 dispensers 16" Tall x 16" Wide x 8" Deep
LVDD-N-8	up to 8 dispensers 16" Tall x 16" Wide x 8" Deep
LVDD-N-12	up to 12 dispensers 24" Tall x 16" Wide x 8" Deep
LVDD-N-16	up to 16 dispensers 24" Tall x 16" Wide x 8" Deep
