

Instructions for :
**Batten Lampholder
 Ceiling Rose
 Pendant Set**

Exclusive

Before starting any electrical work, ensure that the electricity supply is SWITCHED OFF at the mains.

IF IN DOUBT, CONSULT A QUALIFIED ELECTRICIAN.

Note: For your own safety it is recommended that the lampholder with short skirt be mounted 2.5m minimum above floor to avoid accidental contact with the lamp cap.

Lampholders mounted within this distance must be fitted with a protective shield.

If the external flexible cable of the pendant set is damaged, it shall be exclusively replaced by the manufacturer or their service agent or a similar qualified person in order to avoid a hazard.

IMPORTANT INFORMATION - Wiring colour Changes

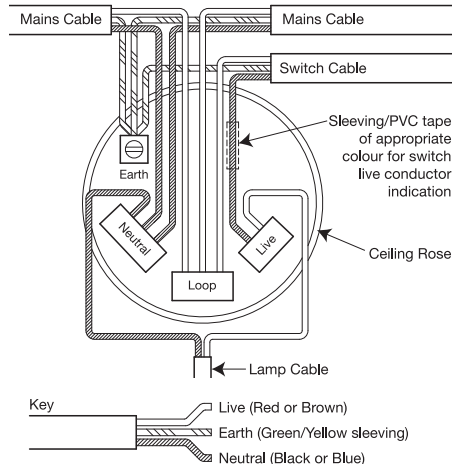

As from 1st April 2004 new installations in the UK should be wired using the new EU harmonised colours for the supply conductors of Twin & Earth cable.

NEW COLOURS: Brown = Live & Blue = Neutral

OLD COLOURS: Red = Live & Black = Neutral

Flexible cable will remain unchanged:

Brown = Live & Blue = Neutral
