

Exxact Phone outlet

Exxact phone outlet

Schneider Electric Exxact 4-pole telephone outlets is a mechanism for data communication. This device is to be completed with Exxact frame. It is 71 mm in width, 71 mm in height, 11.8 mm in depth, with an embedding depth of 7 mm. Flush mounting is supported so that its box can be recessed into the surface and unexposed. It reaches IP20 degree of protection too. Its connection terminals are Krone terminals. Being made of ABS (acrylonitrile butadiene-styrene) material, this telephone outlet is very reliable and resistant. What's more, it well satisfied the standards of SS 455 15 50. What's more, this telephone outlet is qualified as a green premium product. And it is mercury free. Exxact is a wiring range developed from Nordic installation habits.
