IMPORTANT NOTE

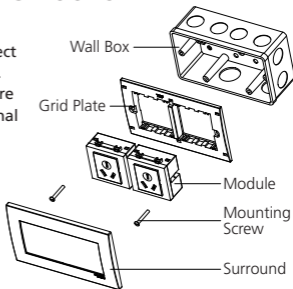

1. The products must be installed by qualified electricians.
2. Please check your local wiring regulations before installation.
3. Safekeeping the faceplate to prevent damage during product installation.
4. Turn off the power supply when you clean the product. Use a soft, slightly-moistened cloth or tissue paper to wipe off the dust and dirt on the surface. Clean with much diluted detergent if necessary but avoid using corrosive chemicals.

WIRING DIAGRAM

MOUNTING INSTRUCTION

1. Pass 2 pairs of wires through the holes of the grid plate, then connect the wires to the module terminals. (recommend to leave 10-12mm bare metal wire) and tighten the terminal screws
2. Attach the module onto the grid plate at front side
3. Screw the combined module and grid plate onto the wall box
4. Snap the surround onto the grid plate.

Insert a screwdriver into the clip lock, and twist the screwdriver to remove the surround.
