Ecodial Advance Calculation INT^{4.8}

The screenshot displays the main interface of the Ecodial Advance Calculation INT^{4.8} software. On the left, a sidebar titled "Projects" contains several buttons: "Tutorials", "Find a version", "About", "Options", and "Exit" (with a red 'x' icon). The main area is titled "Recent projects" and features two large buttons: "Create a new project" (with a plus icon) and "Open an existing project" (with a folder icon). On the right, a "Latest news" section includes links for "All the corporate news" and "Electrical Calculation Tools". A central dialog box titled "Ecodial Advance Calculation" is open, displaying an information icon (a blue circle with a white 'i') and the text "Welcome Genghiz.". An "OK" button is located at the bottom right of the dialog box.
